Please read all instructions carefully before you register! — Multiple registrations will be deleted —

If you are already registered at the CampinO applicant portal of Hochschule Bremen for this application period, please quit the online registration and log in with your access data (on the top right).

Forgotten your password? Please use the "reset password" function.

Forgotten your user name? You will find your user name in the welcome email you received after registration.

You did not receive the welcome email after the completion of registration? Please check your spam folder or contact CampinO-Service@hs-bremen.de.

Do not register multiple times! Multiple registrations will inevitably lead to problems with the allocation procedure. Therefore, multiple registrations will be deleted and the applications will not participate in the allocation procedure. A registration with a BID and BAN always takes priority. In the event of multiple registrations, you will receive a message informing you about the valid account.

Privacy statement

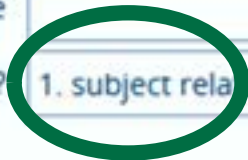

Incomplete and not yet submitted applications will be saved for the time being so that you can continue your application later. Applications will be deleted immediately after the admission procedure was carried out. In order to support applicants filing out their applications requests, responsible officials are also able to look into incomplete and not yet submitted applications. Access to the documents for persons in charge is only possible, when you contact the registrar's office first.

You can state your requested degree programme on this page. The application semester means the period of your beginning of studies with us. This has already been prescribed and must no longer be selected. Firstly, state the expected graduation date of your requested degree programme. Next, select the requested degree programme, as well as the semester.

- Freshmen state the 1st semester ("1st subject-related semester")
- Applicants who can be credited with at least 3 modules as advanced students should state "higher subject-related semesters"
